

HOUSEHOLD PLASTIC PRODUCTS

SKD®

A CHOICE OF EVERY HOME

About Us....

We, Shri Jee Industries, have pleasure to introduce ourselves as one of the leading manufacturers & marketers of plastic household products and injection moulded dustbins. Established in 2010, we are headquartered at India's capital: Delhi with state-of-the-art plastic manufacturing facility in Mangolpuri Industrial Area Phase-I, New Delhi. SKD is a home, dustbin and kitchenware brand that manufactures affordable and one of kind household, dustbin and kitchen storage products.

We do this by blending the principles of innovation and design, thus providing our customers with products that bring joy, colour, and vitality to their lives, homes and kitchens. We manufacture extremely durable dustbins that undergoes vigorous testing in each and every lot. SKD products are available across India. SKD plastic products stands out from other players in the plastic industry due to its immense experience in the plastic household and dustbin industry and strong customer-oriented policies backed by the philosophy of consistency whereby only the best gets out of the plant. All the products are made of 100% virgin plastic as quality is more vital for all our products. Our QC (Quality Control) team ensures that each and every product is tested thoroughly so that only the perfect one's leaves our facility.

Mission

Being one of the most experienced manufacturers in the plastic industry, SKD aims to provide high-quality products that solve consumer problems by continuously innovating, setting new standards and doing outstanding work.

Vision

To be the market leader in manufacturing homeware and dustbins by providing 'best-in-class' products & solutions that redefine value, convenience and style. Innovation is the core of SKD's being. We work on making our consumers' lives better and easier.
